

I am writing to express my disgust at the FCC's current initiative to relax Broadcast Ownership Rules and enable multiple ownership by media companies. Free and unbiased media is the lynchpin of democratic society, without it democracy has no force & no meaning. Enabling a single entity to control all media sources in a region is guaranteed to restrict journalistic freedom. We have already seen this demonstrated by Fox News' biased reporting on this very subject. As citizens of a democratic country, we have a duty to protect the freedom of our media, just as they have a duty to protect our interests by exposing injustices.
